

# Farnborough 15 January 2013 1:42pm

The screenshot shows a web browser window displaying a cycling activity on the RunKeeper website. The browser's address bar shows the URL `runkeeper.com/user/gavinhouse/activity/142269304`. The page header includes navigation options like 'FEED', 'ME', and 'LOG', along with an 'UPGRADE RunKeeper' button. The main content is a map of the Farnborough and Aldershot area, with a cycling route highlighted in orange and red. The route is segmented into 10 numbered markers, each with a distance label (e.g., '10 mi', '9 mi', '8 mi', '7 mi', '6 mi', '5 mi', '4 mi', '3 mi', '2 mi', '1 mi'). The route starts near Farnborough, goes south through Aldershot, loops around the Blackwater River, and returns towards Farnborough. A 'Make this a Route' button is visible at the bottom left of the map area. At the bottom right, a summary box displays '11 mi', '4:05', and '-46'. The browser's taskbar at the top shows several open applications, including 'Options', 'Chrome Web Store', 'Angry Birds Chrome', 'Driving Instructing', and 'Toshiba'.
