

The screenshot shows a web browser window with the following elements:

- Browser Title Bar:** "Other Activity 9.63 mi | Ru... x"
- Browser Address Bar:** "runkeeper.com/user/gavinhouse/activity/167613275?&hlpidBase36=2is98b"
- Browser Tabs:** "Options", "Chrome Web Store...", "Avery Bird Chrome", "Driving Instructing", "Toshiba", "Nectar | Collect and...", "Google Maps"
- RunKeeper Overlay:** A red and orange line representing a route is overlaid on the map. A "back" button is visible at the bottom right of the overlay.
- Map Interface:** The map shows a street view of Reading, UK, with various roads and landmarks labeled. The route is highlighted in red and orange. The map data is from 2013.
- Map Controls:** A compass and zoom controls are visible in the top right corner of the map area.
